

Bill Sweetenham on

INTERNATIONAL LEADERSHIP

Building winning teams & performance under pressure

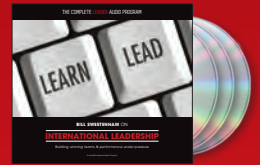

Bill Sweetenham offers a strategic consulting service to a select group of national and international high performance sports organisations, coaching bodies and businesses.

Bill has an outstanding track record of performance in innovative and creative team building, leadership, sustained culture change, management expertise, personal coaching, structures and systems, conflict resolution and winning. He is internationally recognised for his visionary strategic planning capabilities and was selected by Lee Woodward as the authority for the International Leadership audio.
